

BIG BINGO GAME CONDITIONS and PRIZE STRUCTURE STATEMENT

1) RULES AND REGULATIONS

BIG Bingo is governed by the Rules and Regulations Respecting Bingo Games of the British Columbia Lottery Corporation (“**BCLC**”) which include limitations of liability and are available from BCLC upon request.

2) DESCRIPTION

BIG Bingo is an electronic bingo game conducted at the times and places designated by BCLC.

BIG Bingo is played on an electronic non-traditional bingo card having a 3 x 3 square configuration (a “**Card**”) which is only available in multiples of three. The three columns on a Card are labeled: “**B**”, “**I**”, and “**G**”. The numbers under the columns of each Card are randomly generated as follows:

Under the “**B**” – 1 through 15 inclusive,
Under the “**I**” – 16 through 30 inclusive, and
Under the “**G**” – 46 through 60 inclusive.

3) PLAY CREDITS

To be eligible to participate in a BIG Bingo Game, a player must purchase play credits that are recorded into an electronic bingo account as follows:

- a) The player chooses a player identification number (“**PIN**”) associated to the electronic bingo account and must enter that number into the electronic bingo terminal to activate play credits;
- b) The player may purchase additional play credits to be added to the amount in their electronic bingo account; and
- c) The player may redeem some or all play credits remaining in their electronic bingo account for cash by providing either the electronic bingo slip or their account number and entering their PIN, but can only redeem such play credits before the end of business on the day of purchase.

4) PLAY

After obtaining an electronic bingo slip, the player selects an unoccupied terminal and enters their PIN on the terminal screen (the “**Screen**”). If the player chooses bingo from the menu and BIG Bingo is the next available game in the bingo category, the player may select the number of Cards to be played. BCLC and the gaming facility operator may set a maximum number of Cards that can be played by an individual player. Players may exchange Cards prior to the start of the BIG Bingo Game. Each Card is valid for a complete BIG Bingo Game.
